

IDinsight's Data on Demand team used this survey instrument to collect data in April 2020 from 6000+ respondents in 27 of India's poorest districts across eight states. The instrument includes questions on COVID-related awareness, health practices, economic impacts, migration, consumption patterns, and more.

**Rapid COVID-19 Survey Questionnaire | 27 ADP Districts | 6 April 2020**

<b>Category</b>	<b>Q No.</b>	<b>Question/note/instructions</b>	<b>Answer options</b>
Intro	0.1	What is your full name? Note: Please enter "-888" if the respondent refuses to give name.	
KAP	1	As I mentioned before, I would like to ask you a few questions about what you know about Coronavirus. This is so that we can understand what communities think, and what may be their anxieties. If you have any questions about this topic, I would be happy to answer them at the end of the survey.	
KAP	1.1	Can you tell me what are the signs and symptoms of Coronavirus?	Cough Fever Difficulty breathing Tiredness Body aches Runny nose Sore throat Diarrhea Nasal and throat congestion Loss of smell and taste Other Don't Know Refuse to answer
KAP	1.2	Can someone who shows no symptoms of Coronavirus, still possibly have it?	Yes No Refuse to answer

Economic impacts	4.1	For each of these particular food items, can you please tell me if the price per unit has increased, decreased, or stayed in the same during the past week?	

Economic impacts	4.1.1	Wheat (aata)	Increased Decreased Stayed the same Item unavailable Do not know because did not try to purchase
Economic impacts	4.1.2	Rice	Increased Decreased Stayed the same Item unavailable Do not know because did not try to purchase
Economic impacts	4.1.3	Oil	Increased Decreased Stayed the same Item unavailable Do not know because did not try to purchase
Economic impacts	4.1.4	Milk	Increased Decreased Stayed the same Item unavailable Do not know because did not try to purchase
Economic impacts	4.1.5	Onion	Increased Decreased Stayed the same Item unavailable Do not know because did not try to purchase
Economic impacts	4.1.6	Pulses	Increased Decreased Stayed the same Item unavailable Do not know because did not try to purchase

Economic impacts	4.1.7	Sugar	<ul style="list-style-type: none"> <li>Increased</li> <li>Decreased</li> <li>Stayed the same</li> <li>Item unavailable</li> <li>Do not know because did not try to purchase</li> </ul>
Preference	5.1	As you probably know, the government has announced an all-India lockdown until 14 April. This is to ensure that the coronavirus does not spread fast in the country. But the lockdown is also having an impact on people's livelihoods. Based on what you know today, what do you think, should the government continue the strict lockdown, should it continue the lockdown but with some relaxations, or should it end the lockdown?	<ul style="list-style-type: none"> <li>Lockdown should continue</li> <li>Lockdown should continue but with some relaxations</li> <li>Lockdown should end</li> <li>Refuse to answer</li> </ul>
Relief	5.2	The lockdown that has been imposed to prevent Coronavirus from spreading may have affected the livelihoods of many people, and some people have may have received assistance to relieve these effects. Since the lockdown has started, what types of relief have you received?	<ul style="list-style-type: none"> <li>Not aware of any relief measures</li> <li>Aware of relief, but not received any relief</li> <li>School meals delivered at home</li> <li>Take home rations for pregnant/lactating mothers and young children</li> <li>Free food rations for household (from PDS shop)</li> <li>Free food rations (not from PDS shop)</li> <li>Cooked food</li> <li>Gas cylinders</li> <li>Cash transfers to bank account</li> <li>Other</li> <li>Refuse to answer</li> </ul>
Relief	5.3	If the government provides assistance to you during this lockdown, in what form would this assistance be more beneficial for you, sending cash to your bank account, or free ration for your household? Please choose one.	<ul style="list-style-type: none"> <li>Send cash transfer to bank account</li> <li>Free food rations for household</li> <li>Refuse to answer</li> </ul>

Food security	6.1	Since the lockdown started, has anyone in your household done any of these things? Please answer yes or no for each option.	Borrowed food or bought it on credit (yes/ no/ refuse) Stopped eating certain kinds of food (yes/ no/ refuse) Limited portion size or reduce meals (yes/ no/ refuse) Consumed less expensive food of the same type (yes/ no/ refuse)
